

Community & Employment Resource Center

Let us help you get Job Ready!

We are here to help you get hired!

One of our core services is providing linkages to Community and Employment Resources. We want to help employ the community by helping you find jobs, internships, volunteer opportunities, assist with reviewing or creating resumes/cover letters, mock interviewing and other job readiness services.

We are continuously building our **FREE** repository database consisting of community resources that links you to organizations that can assist with services such as Education, Health, Financial Literacy, Computer Skills Training, Child Care / Pre-School, Clothing, Ex-Offender, Housing, Utilities, Legal Services, and much more...

We look forward to helping you!
