Community Support Group Sessions for Women

As life poses different challenges, it's always easier to make a transition when you can get advice from those who can relate and who are or have gone through similar circumstances. Whether you're looking for inspiration, wisdom, encouragement or some light-hearted moments, we invite you to come share a purchased meal and indulge yourself in inspirational conversation with other women just like you!

Topics are centered on a variety of issues women face today.

Open to all women age 21 & older. Dinner available for purchase at venue.
